

Cancellation Policy

In order to maintain our high level of service and to keep all of our clients happy, we have now introduced a cancellation policy.

If you are more than 15 minutes late for your appointment you will be required to reschedule to ensure other appointments run smoothly.

We require 24 hrs notice for the cancellation of your booking. Any cancellation of your appointment with less than 24 hrs notice will require a \$50 deposit to secure your next appointment. This will be redeemable if the appointment is kept or rescheduled with more than 24 hrs notice.

However if you cancel the next appointment or don't attend, this \$50 will be retained by edit.
